- a) **MARINE- ORIENTED PRODUCTS ONLY:** The Anacortes Boat Show Committee has established a policy that only marine-oriented products can be displayed. This means that such items as campers, snow equipment, snowmobiles, automobiles, real estate (other than marine-oriented projects), and time share vacations will not be permitted in the show without approval of the Anacortes Boat Show Committee or its designee. Displays must have ample orientation; “pictures, brochures, samples, etc.” showing application to the recreational marine industry.
- b) **NO SUBLETTING:** Applicant agrees not to lease or sublease any portion of the assigned space to another individual or company with or without consideration.
- c) **NOT ANCILLARY:** Applicant agrees not to allow use of any portion of the assigned space for another individual or company that is auxiliary to, related to or secondary to the applicant.
- d) **SUBTERFUGE:** Applicant agrees not to intentionally misrepresent the true nature of the use of any portion of the assigned space.

PRIZE/RAFFLE BOXES NOT DIRECTLY AFFILIATED WITH AN EXHIBITOR WILL BE CONSIDERED A “SUBLET OF SPACE” AND REMOVED IMMEDIATELY. ALL PRIZE/RAFFLE BOXES MUST BE PRE-APPROVED BY THE BOAT SHOW DIRECTOR OR DESIGNEE.

2. BOATS ON DISPLAY: Both new and brokerage boats will be displayed. Make Model and Year of manufacture will be included on the boat list.

3. ACCESS TO BOATS: Exhibitors shall provide a safe access from dock to boats. If access is constructed, the construction shall be safe and constructed in a professional manner. Steps shall extend no more than three (3) feet onto the dock. Float height is 16”-20” off the water.

4. DEMONSTRATIONS: Demonstration or movement of boats is only permitted during the Show if preapproved for sea trials from show management. No running of boat engines is permitted during the hours the Show is open to the public unless preapproved for sea trials. Accessory exhibitors who demonstrate their products must organize the demonstration areas within the exhibitor's space so as not to interfere with any aisle traffic. The demonstration table/area must be placed a minimum of two (2) feet from the aisle line.

5. SOUND: Exhibitors are asked to monitor their own booths to be sure the noise levels from demonstrations or video systems are kept to a minimum and does not interfere with others. The use of sound systems or equipment producing sound is an exception to the rule, not a right. The Anacortes Boat Show Committee or its designee reserves the right to determine at what point the sound interferes with others and must be discontinued. Video equipment must be placed a minimum of two (2) feet from the aisle line.

6. FENDERS AND LINES: Stern-loading requires an additional amount of line and fenders. Please come to the show prepared with at least six (6) large fenders per boat.

7. STAYING ABOARD OVERNIGHT: Exhibitors may stay aboard their boat at night. You must make arrangements in advance at the Boat Show Office. A list of exhibitors staying aboard will be given to Security Officers. If your name is not on the list, you will be asked to leave. Proper identification (driver's license) will be required.

8. Exhibitors are NOT permitted to screw into the docks for any reason. No exceptions. Display materials and signage must be free standing or secured using temporary fasteners such as cable ties, bungies, clamps, nylon rope, etc. Exhibitors will be held accountable for any violations or damage to the Cap Sante Marina docks.

III. DISPLAYS

1. TENT BOOTH SPECIFICATIONS: Each booth will be at least 10' wide by 10' deep. Tent displays come with one (1) 500-watt standard electrical outlet.

Additional booth décor can be rented from Pacific Party Canopy. (Order form included)

2. PLAZA DISPLAYS:

Additional booth décor can be rented from Pacific Party Canopy. (Order form included)

3. MARINE-ORIENTED PRODUCTS ONLY: The Anacortes Boat & Yacht Show is proud of the fact that it is purely marine in nature. In order to maintain this characteristic, the Anacortes Boat Show Committee has established a policy that marine-oriented products only can be displayed. This means that such items as campers, snow equipment, snowmobiles, real estate (other than marine oriented projects), and time-share vacations will not be permitted in the show without the approval of the Boat Show Committee or its designee. Displays must have ample orientation (pictures, brochures, samples, etc.) showing application to the recreational marine industry.

4. CHARACTER OF EXHIBITS: Only products of the assigned exhibitor may be exhibited within the assigned space.

5. GUIDELINES FOR DISPLAY

A. All Displays

Each exhibitor is entitled to a reasonable sight line from the aisle regardless of the size of the exhibit. Each exhibitor is also entitled to use as much of the total floor space as possible as long as such use does not interfere with the rights of other exhibitors. In the event of a dispute, the

NMTA Anacortes Boat Show Committee or its designee will determine whether or not an obstruction exists. Consideration will be given but not limited to the following factors: 1) Size of aisle frontage 2) Type of partition or display, i.e. solid wall vs. see-through. The decision of the NMTA Anacortes Boat Show Committee or its designee will be final.

B. Accessory Tent Displays

Height: Exhibit fixtures, components and identification signs will be permitted to a maximum height of 8'3". Intent: If a portion of an exhibit booth extends above 8'3" high, the exhibit booth background will detract from the overall impact of the exhibit directly behind that booth regardless of how the rear of the offending exhibit is finished.

Depth: All display fixtures over 4'0" in height and placed within 10 lineal feet of an adjoining exhibit, must be confined to that area of the exhibitor's space which is at least 4'0" from the aisle line. Intent: Each exhibitor is entitled to a reasonable sightline from the aisle regardless of the size of the exhibit. Exhibitors with larger space – 30 lineal feet or more – should also be able to effectively use as much of the total floor space as possible as long as they do not interfere with the rights of others. The limitation on display fixtures over 4'0" and within 10 lineal feet of a neighboring exhibit is intended to accomplish both these aims.

6. SIGNS: NMTA has no interest in the prices at which the exhibitors are willing to sell their products but is interested in maintaining a high standard in displays and presentations.

7. MUSIC: A video with background music may be played in Applicants exhibit provided Applicant has first secured a license covering "public performance rights" or "all rights" to play the music contained in said video and has executed a Hold Harmless and Agreement Re: Use of Music at Boat Show Exhibit. Said Agreement must be delivered to NMTA prior to the opening of the show. A Hold Harmless Agreement Form is included at the end of this handbook.

8. FOOD AND BEVERAGES: No refreshments, food or alcoholic beverages shall be made available to the public (except by designated vendors) or consumed on boats or piers during the hours the show is open to the public.

9. DISTRIBUTION OF LITERATURE AND GIVEAWAYS: No person or firm will be allowed to distribute literature or merchandise outside of their own exhibit area. Persons or firms not exhibiting in the boat show will not be allowed to distribute any literature or merchandise without the written consent of the NMTA, the Anacortes Boat Show Committee or its designee.

10. INSURANCE ENDORSEMENT: Applicant shall maintain forms of insurance coverage described in (a), (b), and (c) of this section and shall name as "Additional Insureds" for such policies: 1) Northwest Marine Trade Association, 2) Anacortes Chamber of Commerce, and 3) Port of Anacortes 4) Active Interest Media. Applicant shall maintain all risk property insurance covering Applicant's own property and property of others in the Applicant's care, custody, or control. Applicant agrees to waive subrogation against the Additional Insureds and their employees for loss of or damage to Applicant's property and property of others in Applicant's care, custody, or control. Applicant's insurance shall be endorsed to make Applicant's insurance primary and non-contributory in any and all claims to any insurance Additional Insureds may carry. The policies shall be endorsed with a waiver of subrogation or waiver of the transfer of the rights of recovery in favor of Additional Insureds. Certificates of Insurance

must be furnished to the Show Sponsors (defined as Northwest Marine Trade Association and Anacortes Chamber of Commerce), prior to move in, including a copy of the Additional Insured endorsement and other endorsements that validate the coverage requirements of this section.

(a) Required of all Applicants. Commercial general liability insurance coverage for bodily injury, personal injury and property damage, including contractual liability, in the minimum amounts of \$1,000,000 per occurrence and \$1,000,000 in the aggregate where aggregate limits apply.

If Applicant will have a vessel docked or moored in water at the Anacortes Boat and Yacht Show, Applicant shall maintain Protection and Indemnity insurance coverage for third party property damage and bodily injury with limits of at least \$1,000,000 per occurrence. This shall include vessel pollution liability, if not already included in the standard vessel owner's liability policy.
